

GUSCO
Lighting
Affordable, high quality LED lighting

LED

DOWNLIGHT

UNIVERSAL VOLTAGE 100-277

GENERAL DESCRIPTION

The GUSCO 6, 8 and 10 inch LED retrofit cans make easy work converting traditional recessed cans to LED. These fixtures produce excellent light output without being harsh.

STRUCTURE, MATERIALS & FEATURES

The GUSCO recessed LED retrofit downlight is constructed of heavy duty aluminum to ensure long life. It has a clear glass lens and recessed COB LED chip, with remote driver.

APPLICATION

Easy and economical solution for soffit, canopy, or lobby lighting.
